ELEMENTS OF RISK

The out-of-church educational activity programs being offered involve certain elements of risk. Accidents may occur while participating in out-of-church activities, which may cause injury or illness (e.g. students are advised to wear long sleeves, long pants, shoes and socks and an insect repellent on unprotected skin when participating in areas where there is a chance of being bitten by an infected mosquito with West Nile Virus).

These accidents result from the nature of the activity and can occur without any fault on either the part of the student, or the Church or its staff or agents, or the facility where the activity is taking place. By choosing to participate in the activity, you are assuming the risk of an accident occurring.

The chance of an accident occurring can be reduced by carefully following instructions at all times while engaged in the activity.

Drivers to and from the event are at least 25 years of age with security clearance on file at the church.
